

MEAT MARKET DISCOUNTS FOR FRINGE EVENTS

Coming a long way since its early days as the centre of Melbourne's wholesale meat trade in 1880, Meat Market is a hub for creative arts and cultural events, housing a list of talented creative industry professionals, and facilitates Melbourne's hottest events.

Have you ever wanted to present your work inside Meat Market's historic pavilions but haven't been able to pay full price? Meat Market is now accepting proposals and expressions of interest for two or more performances to share space over Melbourne Fringe Festival 2019.

- Significantly reduced rate on venue hire
- Shared costs between productions for all labour and operation
- 100% profits go to the artists (including box office sales and bar)
- All AV gear included in your hire costs

Our Cobblestone and Flat Floor Pavilions are suitable for an audience size of anywhere from 100 – 500 people.

If you're prepared to work with another company/individual and split costs then we want to hear from you.

Got a smaller performance in mind? We have configurations and alternative space suited for an audience of 50 - 100.

If you have a project that is suited, then Meat Market would like to hear from you! Contact our Presenter Services Coordinator to discuss your requirements on 03 9329 9966 or at meatmarket@melbourne.vic.gov.au.

Expressions of interest close on 24 May. For information on these spaces, technical specifications, and further images, visit www.meatmarket.org.au.
