Whether it's a work Christmas party or your aunt's 50th birthday, give your next function a bit of that Melbourne Fringe flair.

Centrally located in the heart of Melbourne at the iconic Trades Hall building, Common Rooms is Melbourne Fringe's year-round home for independent artists, workers and people who like to party.

With two fully equipped rooms, exclusive hires and long licenses, we can help you put the FUN in function, no matter the shape or size.

Venue Facilities

No extra venue hire charge

You get the space for free when you commit to a minimum bar spend.

A fully-equipped party space

With venue capacity for up to 250 people, Common Rooms has a professional bar and state-of-the-art sound system, projectors and all the lights you could dream of – and yes, that includes a mirror ball.

Late night licence

Party until the wee hours of the morning! (Well, until 3am).

BYO catering

No exclusive agreements with caterers, so you're not tied down to order food from us.

Full accessibility

Common Rooms is fully accessible, including a portable lift to the stage.

The Ballroom

The Ballroom is the place for all the dancefloor action, whether it's Christmas or a wedding you're celebrating. This heritage performance space and bar holds up to 174 patrons standing or 114 patrons seated (theatre-style).

The Lounge

For quiet, intimate chats away from the centre of the action, Common Rooms' The Lounge is a second salon-style space that holds up to 76 people.

For most events, The Lounge can be used as a break-out or backstage green room at no extra cost.

From cabaret to theatre, we can make your ideal seating plan happen. Make the most of 154 square metres – talk to us today about our layout options.

Get your Fringe on

Add a sprinkle of Melbourne Fringe to your next function with fab Fringe artists who know a thing or two about throwing a good party.

Get access to our network of DJs, comedians, frocked-up drag MCs, cabaret darlings, burlesque superstars and a host of other roving performers. Chat to us today about your entertainment needs.
